

The Locker is an important tool that supports the efforts of all Canadians involved in coach education. Access to The Locker will provide all coaches with the opportunity to track their progress and guide their development. The Locker has been developed by the Coaching Association of Canada to support its mission of enhancing the experiences of all Canadian athletes through quality coaching. Coaches with an NCCP Account can view/update personal information, coaching records and access printable transcripts. NCCP Partners (like Gymnastics Saskatchewan) can access coach records in their sport, input coaching courses and personal development credits.

To access The Locker go to the following link: <https://thelocker.coach.ca>

To create a Locker account click on: “Don’t have a NCCP #? Create one now!”

To access your existing account: LOGIN with your NCCP# or email address and password. If you don’t know your password click on “Forgot password?” and a password rest link will be sent to your email address.

You can also look up your NCCP# by clicking on “Lookup my NCCP#” then typing in your email address. In situations where no email address has been listed in The Locker with your profile or if your email address has changed or was typed incorrectly, please contact Gymnastics Saskatchewan.
