Battlefords Gymnastics Club is looking for a temporary Competitive Gymnastics Coach to fill-in a vacancy.

- Competition I Certified
- T&T Level II Certified (ideal but not necessary)
- We are looking for one or two days of coaching/week. (Gymnasts will train additional days with a BGC coach)
- Feb 1 - mid May (opportunity to extend to June and beyond)
- Compensation for mileage will be included

BGC wants to ensure that our JO 3+/T&T athletes can get through their competition season (Feb-May). We want to explore EVERY solution that can help get our gymnasts continue training/competing. If you have an alternate solution for us to consider - please share it with us!
