MEMBERSHIP FEES AND REGISTRATIONS

Gymnastics Saskatchewan charges membership fees to help offset the costs of the many programs and services we offer to our clubs and members. Membership support, in numbers and dollars, is crucial and important to the continued development of gymnastics in Saskatchewan.

- a. A club must register ALL members (athletes, recreational, performance and active start participants, staff, coaches, apprentice coaches, officials, executive members, supporters) with Gymnastics Saskatchewan by the appropriate deadlines.
- b. Any member club or individual member of Gym Sask who, in the opinion of Gym Sask, facilitates or assists non-members in circumventing membership policies, philosophies and criteria of Gym Sask will be liable to disciplinary action by the CEO and or the board of directors.
- c. A registered member club that rents its facility to another organization or club for the purpose of activities recognized by Gymnastics Saskatchewan as gymnastics, must ensure that the organization or club is a registered member club of Gymnastics Saskatchewan.
- d. The organization or club who is renting must ensure that the club that operates/rents out the facility is a Gymnastics Saskatchewan member club.
- e. Two or more organizations or clubs that share a facility for the purpose of gymnastics must all be member clubs of Gymnastics Saskatchewan.
- f. Gymnastics Saskatchewan will not provide access to membership services and programs unless all registration information (fees, forms and individual names) are submitted. Clubs whose initial registration is not received by the published deadlines are not members of Gymnastics Saskatchewan until all fees, forms and names are received.

- g. Clubs are required to submit/register all new individual members over the course of the year as soon as they join a club program.
- h. Clubs may be asked to verify their membership numbers if Gymnastics Saskatchewan suspects that not all members have been registered. In order to verify membership numbers and/or grant amounts, clubs must provide information, financial statements, receipts for grants and other details if and when requested by Gymnastics Saskatchewan. Our financial statements are subject to audit, and therefore all of our member clubs are also subject to provide verification of membership and financial records if required and requested.
- i. Clubs who do not register all of their members/participants over the course of the membership year will be initially assessed a \$100.00 fine and considered members in bad standing until their membership roster and fees are made current. Other sanctions/penalties may be applied by the CEO or designate which may include suspension and/or withdrawal of any/all membership privileges.
- j. As members of Gymnastics Saskatchewan, clubs and individual members agree to comply with all Gymnastics Saskatchewan policies, bylaws and other program and/or administrative rules and regulations including coaching certification requirements.
- k. Member clubs shall provide an open environment for parents and guardians to view and listen to training and classes. All member clubs must provide an area for viewing which is accessible to parents and guardians at all times.

PROCEDURES AND DEADLINES

1. Each fall Gymnastics Saskatchewan will electronically distribute membership information to clubs and organizations in the province. The registration year is September 1 - August 31. It is required that all data is submitted electronically via email or online, or additional fees will be imposed.
2. Fees must accompany registrations. Gymnastics Canada fees as well as Gymnastics Saskatchewan fees must be remitted by the established deadline for each session.
3. Registered members are those whose names and required information are on file and whose fees have been received by the appropriate deadlines. New members may be registered at any time.

FEES AND MEMBER SERVICES

Membership Fees are established periodically by the CEO and or board of directors and circulated to the membership 60 days in advance of the beginning of the fiscal (registration) year. Membership fees include fees collected for Gymnastics Canada individual fees, (which are forwarded to the national federation on a quarterly basis).

Non-resident members or independent athletes may not access grants, team travel subsidies, financial support, may not take the place of a Saskatchewan athlete in team selections, awards or other competitive opportunities, unless they can demonstrate that they are a product of the Saskatchewan sports system and provide evidence that a significant portion of their gymnastics development occurred while a primary resident of Saskatchewan.

Your membership fees cover membership with Gymnastics Saskatchewan and Gymnastics Canada. Gymnastics Saskatchewan submits the required fee to Gymnastics Canada on your behalf. The membership fee with Gymnastics Saskatchewan helps support Saskatchewan athletes to travel to competitions, bring in facilitators for training camps and coaching workshops, certify officials, host events, offer awards and recognition, promote our sport, operate and assist clubs by acting as a resource for programs and policies. This fee also allows Gymnastics Saskatchewan to offer financial assistance to clubs, athletes, coaches and target groups through our various grant programs. The fee to Gymnastics Canada goes to support the development of gymnastics in Canada, national programs (NCCP, badge programs, competitive programs) and national teams as they strive for podium performances.

It is very important that clubs identify and disclose Gymnastics Saskatchewan and Gymnastics Canada fees separately to members. These fees should be shown separately from class registration fees.

More details regarding policies and procedures can be found in the [Gymnastics Saskatchewan Operational Policies & Procedures](#) document.

INSURANCE

The Gymnastics Saskatchewan insurance policy covers clubs in good standing, and their members who have paid the individual membership fee and are members of a club in good standing. The insurance provided via Sask Sport, (Markel) includes general and participant liability and sport accident coverage.

INDIVIDUAL MEMBER INSURANCE

Please note that insurance coverage only applies when requirements for registration and membership with Gymnastics Saskatchewan are fulfilled.

All member clubs must register all individual members with Gymnastics Saskatchewan, including active start participants, recreational/performance gymnasts, inter-club and competitive athletes, coaches, support staff, judges, directors, executive, and volunteers who provide the club with volunteer help and service on a regular basis. Failure to register all members will be considered an act of misrepresentation and may have adverse effects on the club's membership status, resulting in a possible denial of insurance coverage.

Any gymnastics activity done in the facility must be done under the direct supervision of a coach who is currently registered with Gymnastics Saskatchewan and has the NCCP certification required by Gymnastics Saskatchewan for the type and level of activity (see Coaching Policies).

***New as of July 1st, 2019 – As of July 1st, clubs using any type of trampoline equipment need to follow the below limitations:**

The insurance provided by this policy does not apply to:

1. any and/or all use of, activities on or in relation to a trampoline, including but not limited to trampoline tumbling floors, single and double mini before, during or after unstructured recreational, drop-in, birthday party, cross training or parkour activities; or
2. any demands, claims and/or actions alleging use of, activities on or in relation to a trampoline, trampoline tumbling floors, single and double mini trampolines.

For the purposes of this endorsement and the policy:

Competitive Trampoline Gymnastics Activities are defined as Competitive Member activities on trampolines, including but not limited to trampoline tumbling floors, single and double mini trampolines occurring within a recognized full member club facility or sanctioned host facility during practice or competitions.

Competitive Member is defined as members registered in the Development Stream, the Provincial Stream and/or the National Stream.

PLEASE BE AWARE:

It is further understood and agreed that notwithstanding anything in the policy or its endorsements to the contrary, the limit of insurance for **Structured Recreational or Camp Trampoline Activities** with an Artistic Competitive 1 (or higher) or Artistic Level 2 Certified coach supervising an appropriate Gymnastics Foundations Trampoline Coach is:

\$500,000.00 Each Occurrence Limit; \$1,000,000.00 Aggregate Limit; and a Bodily Injury Deductible of \$10,000.00 Each Occurrence.

WHAT IS COVERED?

The Liability Policy covers all **Gymnastics Saskatchewan registered members** including coaches, officials, employees and volunteers while acting on behalf of Gymnastics Saskatchewan. Registered members are also covered while engaged in Gymnastics Saskatchewan SANCTIONED and authorized activities. Clubs made aware of any possible liability suits or claims against them must inform Gymnastics Saskatchewan and our insurer. **Please be aware: There is a limitation of \$500,000 on any liability claims arising from recreational trampoline usage.**

The Accident Policy coverage applies to **Gymnastics Saskatchewan registered members** taking part in gymnastics classes, training, training camps, events, competitions and meets sanctioned and approved by Gymnastics Saskatchewan. Accident coverage is secondary coverage only, meaning that all other personal policies must be paid out first. [Accident Insurance Claim](#) forms must be submitted as soon as possible after the injury occurred.

[Sanction Forms](#) for club events and [Out of Province Travel Sanction Requests](#) must be completed and submitted to Gymnastics Saskatchewan with the appropriate fees, by the established deadlines. As a member club in good standing, Gymnastics Saskatchewan will consider your regular club training and classes as sanctioned activities, provided Gymnastics Saskatchewan rules and regulations for coaching certification, safety and conduct are followed.

Sanctioned activities will include those authorized activities considered to be core to the operations of the various gymnastics' disciplines (Gym For All, WAG, MAG, TG, RG, ACRO, AERO) governed by Gymnastics Saskatchewan. These core areas can be classified as: classes, training, demonstration and competition.

COMPETITION/COMPETITIVE ACTIVITIES

A gymnast is considered to be a competitive athlete and/or engaging in competitive activities if one or more of the following characteristics exist:

- Formalized competitive requirement, format and protocol similar to the one in place for the sport provincially, nationally and internationally.
- The gymnast's performance is judged, scored and compared to the other participants.
- The gymnasts are ranked, and recognition is based on some ranking.
- Training activities that are developmental in nature, aimed at enhancing a gymnast's skill level in advance of a competition, showcase, or benchmarking practice.
- A gymnast is involved in testing or trialing versus a standardized benchmarking system and/or other gymnasts, with a goal in mind of advancement or progression through a defined competitive streamline.

TRAINING/CLASSES

Training/Classes is defined as any organized and structured regimen of exercise and physical activity geared to enhancing a registered participant's skill level and overall abilities towards an end (improvement, enjoyment, competition, new skills acquisition, physical literacy).

DEMONSTRATION

Demonstration is defined as an organized, structured exhibition of gymnastics skills or routines intended to display the positive attributes of the sport. Purposes of demonstration may be to attract interest and/or increase membership for participating clubs, showcase and promote athletes or highlight gymnastics a part of a larger event or competition.

When demonstrations are performed outside the member club's facility, the member club must provide details of the demonstration to Gymnastics Saskatchewan in order for it to be approved and sanctioned.

BIRTHDAY PARTIES

Birthday parties are included as sanctioned activities, provided clubs have paid the outside user group/birthday party Gym Sask annual membership fee. Birthday party participants do not need to be individually registered with Gymnastics Saskatchewan. However, the member club must keep a list of all names of participants on file for insurance purposes. The definition of a sanctioned birthday party is the following: gymnastics activities as per the Gymnastics Saskatchewan recreational standards and requirements, with possible consumption of "party food" in a supervised environment within the member club's facility.

PROMOTIONAL ACTIVITIES

Activities such as "Bring a Friend Day" are covered under the policy if the safety standards are met for coaching and equipment as per Gymnastics Saskatchewan policies. There must be a structured component and it is understood that the member club is trying to promote gymnastics and attract new members. This coverage is for promotional activities, one-time visits by any one individual, and not for participation in any form of regularly scheduled program. A list of all names of participants must be kept on file for insurance purposes.

SCHOOL GROUPS

Gymnastics programs scheduled specifically for schools will be covered under the policy. A list of all names of participants must be kept on file for insurance purposes. Standards must be met for coaching and equipment as per Gymnastics Saskatchewan policies.

PARENT & TOT PROGRAMS

The child must be a member of Gymnastics Saskatchewan. Any parent or caregiver involved in a non-coaching/teaching role during a Parent and Tot class does not need to be registered with Gymnastics Saskatchewan.

CHEERLEADING

Gymnastics coaches may train, condition and teach tumbling or gymnastics skills with cheerleading squads, providing the participants are all registered members of Gymnastics Saskatchewan. The individuals must be registered with the club as recreational gymnasts.

Coaches and clubs can only teach gymnastics-related skills such as those normally performed in a gymnastics setting. Skills such as pyramids, tosses in general are considered non-gymnastics related and would not be covered by Gymnastics Saskatchewan insurance.

OTHER SPORT GROUPS

Gymnastics conditioning programs offered to other sport groups as a whole will be covered provided the participants are registered as individual recreational members. Coaches can only teach gymnastics-related skills such as those normally performed in a gymnastics setting. Clubs providing gymnastics programming to outside user groups such as daycares, sport groups, community organization will have liability insurance coverage, but since the individuals are not individual members, no accident insurance coverage will be provided.

Member clubs operate many programs and activities, most of which clearly fall within the sport of gymnastics and hence would be covered under our policies. Inclusion under the policy is directly related to the degree to which Gymnastics Saskatchewan rules, regulations and risk management can be applied.

DIRECTORS AND OFFICERS LIABILITY

Gymnastics Saskatchewan insurance includes 5 million dollars liability for Directors and Officers insurance. All club Board, Executive and Staff members must be registered members.

FACILITY RENTAL

Member clubs can provide their facility to any individuals or groups provided the group or individuals have their own insurance AND ADD BOTH THE MEMBER CLUB AND GYMNASTICS SASKATCHEWAN AS ADDITIONAL INSURED ON THEIR POLICY. The insurance certificate must have a minimum of 5 million dollars liability prior to the rental taking place. A copy of this insurance certificate may be required by Gymnastics Saskatchewan and our insurer.

NON-GYMNASTICS ACTIVITIES

Some activities incorporate gymnastics but also include other elements unrelated to the disciplines of Gymnastics Saskatchewan. The format and operation of unrelated activities follow no known federation technical rules or guidelines and may present unacceptable levels of risk or exposure. These activities are considered non-gymnastics related and are excluded from the Gymnastics Saskatchewan insurance policies.

These activities include by are not limited to:

- Swimming
- Baseball
- Softball
- Arts and crafts
- Daycare
- Field trips
- Sleep-overs
- Rock climbing walls
- Cheerleading skills
- Skateboarding
- Aerial skiing
- Bingos
- Raffles
- Garage sales
- Bake sales
- Gym cleaning

Some of these activities are often involved in summer camps and holiday camps run by member clubs – these are NOT covered, and additional insurance should therefore be purchased by clubs.

If an accident or incident occurs in a facility where unsanctioned and uninsured activities take place, the Gymnastics Saskatchewan policy will not provide or may deny coverage.

Insurance coverage and subsequent payments are not always easily determined in advance, as all incidents are reviewed by the insurance company's adjusters and underwriters, NOT by Gymnastics Saskatchewan.

Coaches in particular should be familiar with their role in risk management, including safety, certification, and possible negligence.

It is a good idea to keep a copy of our [Memorandum of Insurance](#) in your files. If you have any questions, please do not hesitate to contact our office at 306-780-9229.

GYMNASTICS SASKATCHEWAN RESPECT IN SPORT POLICY

Gymnastics Saskatchewan, Gymnastics Canada, and Sask Sport are committed to creating a sport environment in which all individuals are treated with respect and dignity. Coaches have a responsibility to create a sporting environment that is free of harassment, abuse, bullying and neglect.

Gymnastics Saskatchewan, Gymnastics Canada, and Sask Sport require that all coaches participating in gymnastics have completed the online Respect in Sport program. This policy applies to all coaches registered under the membership jurisdiction of Gymnastics Saskatchewan and its member clubs.

Coaches not holding valid Respect in Sport certification will have 30 days from the time their registration is submitted to Gymnastics Saskatchewan to complete the online Respect in Sport training. Any coach not having Respect in Sport certification within 30 days of their registration with Gymnastics Saskatchewan will have their membership suspended until their Respect in Sport certification is completed.

Clubs are responsible to ensure that their coaches have completed the Respect in Sport certification. Gymnastics Saskatchewan's Respect in Sport policies and requirements are reviewed annually by the CEO and NCCP Program Manager.

ABORIGINAL SELF-DECLARATION

It is mandatory for all clubs to include an area on their individual online or paper registration form for participants to declare their Aboriginal status. This is an important piece of information that Gymnastics Saskatchewan is required to report to Sask Sport each year to insure our funding. This is a sample of what you can include on your online or paper registration form:

Aboriginal Self-Declaration

Please check one of the following that is most applicable to your Aboriginal ancestry*:

Status/Treaty Metis Non-Status Aboriginal Inuit

*Providing this information is voluntary and will be used for statistical purposes, only. It will not be used by Gymnastics Saskatchewan for any other prohibited preference as per The Saskatchewan Human Rights Code.

Gymnastics Saskatchewan will be asking for this information at each of the individual member registration deadlines (Oct 15, Feb 28, May 15 and Aug 15). So please make sure you are keeping track of this data and are able to submit the following report to Gymnastics Saskatchewan quarterly:

OUTSIDE USER GROUPS

If your club is offering gymnastics programs for outside users, (for example, birthday parties, school groups, daycares, bring a friend day), you must purchase a \$110 outside user fee in Amilia before October 1st in order to be covered for liability insurance for these programs. This insurance will only cover individuals on a one-time user basis. If a group is coming more than once with the same participants, that group can register as Associate Members (\$85/group for the year, this can be done by using the [Associate Member Form](#)) to receive coverage OR the individuals should be registered as regular members depending on the situation.

* Please note that our insurance ONLY covers gymnastics activities and does not cover these participants to be on trampolines.

In order for your liability insurance to be in effect please ensure these participants are supervised at all times by a coach certified at the appropriate level and that you keep the contact information of the individuals attending these programs for a 12 month period as Gymnastics Saskatchewan may request this information. **Please send information on the number of participants using this program to Gymnastics Saskatchewan on a monthly basis.** Please use the [outside user group monthly reporting form](#). All statistical analysis (i.e. MAP, AGM votes, size of club tracking), will EXCLUDE birthday party/daycare and one time user group attendees, but Gymnastics Saskatchewan reports this information to Sask Sport on a yearly basis.

Clubs who do not have a contract with Amilia to use their system for online registration will import their members so Gymnastics Saskatchewan has a list of all clubs' members and can record and invoice accordingly. Follow the Amilia resource [Membership Resale Import](#) to learn how to fill out a .csv template to import your member's information while simultaneously assigning them a Gymnastics Saskatchewan membership or follow the directions below:

1. Log into Amilia
2. Click on the arrow beside your club's email address on the top right hand side of the page

9. I will also outline some items for you here:
 - Gender – enter capital M or F
 - Birth Date – always enter as MM/DD/YYYY
 - Membership Name – has to be exactly as it appears in Amilia (e.g. Active Start Gymnast, Recreational Gymnast, Recreational/Inter-Club Coach) please refer to pages 24-25 of the Club Registration Handbook or look in the warehouse to see how they are named.
 - If you have multiple memberships for a single athlete, create one line per athletes per membership
10. Then when you have your import template complete save the file as a .CSV file on your computer
11. Then go back to the Import section of Amilia and click on 'Choose a file' and find where you saved the file on your computer
12. Choose your Season Gymnastics Saskatchewan – 2019-2020 Season
13. Then click 'Upload'
14. The system will tell you if it identifies any errors in your file.

The more information you put into the import template, the easier it will be for the Amilia system to recognize duplicates and recognize members across clubs. Email addresses are especially important for recognition.

11. Select the mail checkbox to send the client an email of the replacement invoice, uncheck if you do not want to send an email.
12. Save

MEMBERS IN MORE THAN ONE CLUB

If you know that a member has been registered in Amilia by another club and has already paid their Gym Sask/Gym Canada membership, please use the member search feature to import the member into your client list. Go to 'Clients', then 'Member Search', search the member by first name, last name and date of birth. If you find the client registered with another club, choose to 'import' the client and then the member will be associated with both clubs and this will help avoid duplicates. Your club won't be able to purchase the exact same membership for this person, but you can send me their name and role and I am keeping a list of people in more than one club for AGM votes and MAP grant purposes.
