Introduction

Gymnastics Saskatchewan's Event Hosting Manual is designed to assist the local organizing committee (LOC) with the organization of successful Provincial Gymnastics Championships. This is a tool to ensure that all of the Provincial Championships have the same look and feel each year.

IMPORTANT NOTE: This document is dynamic. Gymnastics Saskatchewan will continue to improve the document on a regular basis. Always ensure you have the latest version.

1 Gymnastics Saskatchewan

Gymnastics Saskatchewan's Vision and Mission

To inspire the athlete in everyone.

To direct and support the development and delivery of quality programs and to celebrate gymnastics as a foundation sport of choice.

2 Hosting Manual

This manual will outline the requirements for hosting Provincial Championships and will also act as a guide to help clubs meet all the requirements effectively and efficiently. It is intended to act as a tool to the LOC in its preparations. The requirements of each section are the responsibility of the LOC unless otherwise indicated.

The appendices of this manual contain the important documents and information that the LOC will require throughout the hosting process

The Hosting Manual is a dynamic document that will be updated fairly regularly in order to provide as much information as possible to LOCs. The latest version will be posted on the Gymnastics Saskatchewan's website.

Any questions relating to this manual and its content are to be directed to Gymnastics Saskatchewan's Event Coordinator – Kristi Mandzuk.

3 Provincial Championships Introduction

The Saskatchewan Provincial Championships are above all else, the peak competitive event for our provincial and national athletes who have strived over the season to qualify to attend this annual competition. These Championships, therefore, should be conducted and planned with an overlying theme of excellence in mind. Only our best athletes will be in attendance at all levels vying for the title of Provincial Champion.

Gymnastics Saskatchewan is committed to working closely with our member clubs to host an annual Provincial Championship event that will promote and celebrate the accomplishments of our provincial and national athletes. Whenever possible, it is our preference that all four gymnastics disciplines will compete on the same weekend and in the same venue in order to present a true showcase of all of our competitive programs and athletes.

4 Championship Objective

The main objectives of the Provincial Gymnastics Championships are:

- That the planning and technical execution for Provincial Championships be athlete focused, and incorporates and balances the needs and expectations of artistic, rhythmic and trampoline/tumbling programs
- That the hosting of Provincial Championships integrates and fosters the many other benefits to Gymnastics Saskatchewan, to our member clubs, (recruiting members, media, promotions, prestige), of developing partnerships, and of bringing the gymnastics community in Saskatchewan together.
- That hosting clubs and management teams/organizing committees for Provincial Championships be provided with the financial and professional Gymnastics Saskatchewan staff organizational assistance to ensure the success of the planned events.
- To provide significant grant funding (MAP) to clubs hosting Provincial Championships to make bidding for and hosting a Provincial Championship financially viable and enticing.
- To create a “brand” for Provincial Championships by standardizing protocol and awards as much as possible.
- To showcase Provincial Championships to the public, spectators, participants as a high profile special event. To create a special atmosphere at the event via more professional announcers, decorations, image design, local television broadcasts, signage, standardized awards presentations, etc.
- AA winners receive a trophy and a Provincials medal. There are no awards/certificates presented solely for participation in any discipline, as Provincials is a high level competitive event for the best competitive athletes at each level in the province.
- To create new Team/Club awards, when warranted by numbers of club entries, to reward clubs for excellence in competitive programming and athlete development.

5 Championship Format

Provincial Championships require the following number of days:

- 1-1.5 days for set-up
- 3 days of training and competition
- 1 day for tear-down (Sunday after competition)

Administration

6 Hosting Agreement

The Hosting Agreement is a contract between Gymnastics Saskatchewan and the LOC that is provided and signed once a club is awarded a Gymnastics Saskatchewan event. The roles and responsibilities listed in this manual are part of the Hosting Agreement which will include timelines. The document can be adjusted by either party following discussions, but once signed, it is a legally binding document. Any changes made after both parties have signed the hosting agreement must be approved by both parties and an amendment to the hosting agreement will be made and signed.

7 Local Organizing Committee Structure (LOC)

The club is responsible to recruit an organizing committee of volunteers and/or staff. Gymnastics Saskatchewan's event coordinator shall be a member of the organizing committee.

In Appendix A, you will find the recommended organizing committee structure in the form of an organizational chart. You will also find an expanded list of the roles and responsibilities of each recommended position in Appendix B and in the "Provincial Action Plan" spreadsheet included.

Key Considerations:

- You may decide to create sub-committees that can be given the autonomy to fulfill their roles independently; however final decisions should be approved by the Event Chair.
