**RE: CORONAVIRUS (COVID-19) UPDATE**

---

At Gymnastics Saskatchewan (Gym Sask), the health and safety of gymnasts, their families, coaches, judges and volunteers are of the utmost importance. Effective March 16, 2020 the Government of Saskatchewan has ordered the cancellation of all public gatherings of over 250 people in any one room until further notice. As of March 20, 2020, schools will be closed indefinitely. With this order coming from the Government Gym Sask has made the difficult decision to cancel and or postpone **ALL** Gym Sask sanctioned competitions until further notice. Gym Sask is recommending that all member clubs cancel regular training and classes until further notice. Although this is our recommendation, the decision can be made by each individual club (in consideration of the provincial order) as they see fit based on review of their own situation. Gym Sask is committed to providing support to our members during this difficult time. As this is a fluid situation, we are constantly monitoring this and will update members as needed.

Please be advised that we are constantly seeking professional and organizational input on this matter from our colleagues in the provincial and national sport system. We are also regularly checking the FIG and GymCan websites for updates to their events. Below you will find a summary of known cancellations and postponed events involving Gym Sask members.
