RE: WAIVERS AND RESOURCES

Good evening clubs, coaches, presidents and owners,

Sask Sport has provided Gym Sask with some resource information (see below) and recommended waivers/assumption of risk documents (attached) relative to Return to Play and Covid risks. Gym Sask strongly recommends that clubs review these documents, and use these waivers for your upcoming programs.

While waivers are not currently mandated by our insurer, we expect that mandatory waivers will be the case soon for upcoming new member registrations. Please take the time to incorporate the documentation contained in these waivers into your current waiver protocols, as they do address some of the current Covid-19 concerns.

Hopefully this information is helpful for you to prepare registration and waiver requirements for your upcoming programs.

Regards,
Klara Miller, CEO
