**Subject:** Organizing Gym and Truce clarification

Hello Everyone,  
Thought this may help the clubs with figuring out how to zone the gym if they are interested, Second thing I wanted to send was clarification on TRUCE cleaner. I think as much as it's a good non toxic cleaner I wasn't clear enough that it hasn't been tested against COVID. I also have a very very basic Excel document that can be altered to help with inspecting and creating a inventory.  
Hope it helps.  
All the best
