Hello Clubs,

We've had a few requests for the Daily Screening Questionnaire at the end of the Gym Sask Return to Play Protocol Document to be made into a fillable PDF so parents can fill it out online and email it in. I am attaching that here for anyone would like to use that. This document along with other resources can also be found on our website here: <http://gymsask.com/covid-19-resources/>

Another option would be to put these questions into an online platform such as Survey Monkey or Google Forms and send the link and have the data online.

Please let me know if you have any questions.

Thank you,  
Kristi
