

COVID-19 UPDATE JULY 28, 2020

RETURN TO PLAY PROTOCOLS

PURPOSE

LAST UPDATED JULY 28, 2020

JULY 28, 2020

Gymnastics Saskatchewan's top priority for our **Return to Play** protocols is the health and safety of our members and community, and each club's top priority must be the same. This document is intended to provide guidelines for Gymnastics Saskatchewan member clubs in their resumption of activities during/following the COVID-19 pandemic. It includes requirements that clubs must implement before reopening (and continue with on an ongoing basis until further guidance is provided). The document also provides recommendations and tools for implementing and managing the newly required expectations.

By ensuring the health and safety of those who enter member club facilities, we can together better and safely manage risk within our community.

Gymnastics Saskatchewan has created the following **Return to Play** protocols to help maintain a safe and healthy environment, and to minimize the risk of the spread of COVID-19 in Saskatchewan. This plan would come into effect upon clubs first re-opening (now approved for Phase 3). As restrictions may be lifted in Phase 4/5 and beyond, clubs may then work their way back to regular programming.

Gymnastics provides a foundation for physical literacy, health, and wellness to residents of Saskatchewan. With more than 16,000 members and 500 employed coaches, the return to gymnastics programming in Saskatchewan is desirable to:

- Rediscover the physical and psychological benefits related to returning to sport and gymnastics
- Offer a positive, pleasant, and safe gymnastics experience for our members and participants
- Return to our social and community gymnastics environment
- Provide our competitive athletes and their coaches, as well as our officials with a feeling of renewed competence, purpose, and optimism to achieve their performance goals for competitive results at the provincial, regional, national, and international levels
- Provide our recreational participants, the parents of Saskatchewan's youth, with safe options for physical activity and the continued learning of foundational skills
- Provide our coaches and club staff with a return to, or continued availability for full and part time employment
- Lay the foundation for our clubs for a return to financial viability
- Maintain club-customer relations and retain our membership
- Start again, better, in a new reality

As of March 18th, 2020, all gymnastics clubs in Saskatchewan were closed in order to protect the health and safety of our community during COVID-19. This document describes our phased strategy to Return to Play, which may be advanced, reverted or delayed according to Saskatchewan government directives. This document is a working document and may be adjusted based on the recommendations of the Saskatchewan Health Authority, the provincial government, and/or Sask Sport.

If you have any questions, comments, or concerns about this Return to Play document please contact me.

Return to Play PROTOCOLS

LAST UPDATED JULY 28, 2020

Gymnastics Saskatchewan is presenting the following return to play protocols to help our clubs ensure the health and safety of our gymnastics community and our participants.

AWARENESS

Mandatory	Toolkit
Inform members, coaches, and participants of COVID-19 protocols.	<ul style="list-style-type: none"> Email, club website, in house telephone communication, waivers.
	<ul style="list-style-type: none"> Use waivers for people over the age of majority and assumption of risk agreements for those under the age of majority and include specific wording relating to insurance coverage for COVID-19 claims exclusion and their assumption of the related risks with COVID-19.
	<ul style="list-style-type: none"> Clubs should hang posters and other visual cues to remind participants of the required COVID-19 health measures and the protocols to follow.
	<ul style="list-style-type: none"> Clubs should communicate screening practices to parents and guardians.
	<ul style="list-style-type: none"> Each facility should provide a staff training session and frequent review of expectations for staff outlining COVID-19 compliance to gym and coaching protocols.
	<ul style="list-style-type: none"> Clubs should consider testing out their new operating procedures with a small group of trusted, experienced age and level appropriate gymnasts that will be fully able to comply with the new expectations, rules, and processes in the gym.

PHYSICAL DISTANCING

Mandatory	Toolkit
All Gymnastics Saskatchewan members, while attending a club program or training session must adhere to physical distancing of 2 meters of separation. Gymnastics Saskatchewan member clubs will utilize safe-guarding techniques based on their facility square footage (total persons 1 participant per every 144 square feet) to ensure there is sufficient space to allow participants to remain a minimum of 2 meters apart.	<ul style="list-style-type: none"> Place distancing lines outside and inside the facility (and around equipment) to maintain physical distancing during training and breaks.
	<ul style="list-style-type: none"> Bleachers will be marked off where people can sit with appropriate distancing.
	<ul style="list-style-type: none"> Create a separate entrance and exit, if possible.
	<ul style="list-style-type: none"> Athletes should be assigned to one specific apparatus at a time.
	<ul style="list-style-type: none"> Stagger classes so arrival and departure of groups do not overlap.
	<ul style="list-style-type: none"> Use different colored velcro/tape to indicate distancing within the facility and pathways around equipment.
	<ul style="list-style-type: none"> Rearrange, remove, or spread out equipment to ensure physical distancing is observed at all times.
	<ul style="list-style-type: none"> Create circular rotation schedule with less crossover traffic.
	<ul style="list-style-type: none"> Stagger break times for competitive/team gymnasts.
	<ul style="list-style-type: none"> Coaches are responsible to ensure athletes are physically distancing during training sessions.
Coaches must wear (bring) their own mask if they cannot maintain physical distancing.	<ul style="list-style-type: none"> Acro & RG teams are permitted to train within their designated group.
	<ul style="list-style-type: none"> Acro & RG teams must wash or sanitize hands before and after training.
Play structures may be open with increased sanitization.	<ul style="list-style-type: none"> Coaches must wear masks when spotting.

Gymnastics clubs must also be in compliance with the Government of Saskatchewan's COVID-19 workplace and gym and fitness facility guidelines, and other re-opening protocols available [here](#).
