Good morning clubs and coaches,

For those clubs who have been previously approved by AON, our insurance broker, for coverage during Covid closures for virtual/Zoom training sessions with your athletes, please be advised that this coverage has been extended for the term of the policy (to March 31, 2021).

Your online training may continue with full coverage. Hopefully this will assist with athlete training relative to the restrictions of group sizes in your gym.

Clubs who are conducting online physical conditioning training or classes and have not been previously approved for coverage, please contact Kristi at kmandzuk@gymsask.com to request the appropriate forms to complete.

Regards,
Klara
