 - c. No connection to either party
 - d. Decisive
- ii. The Case Manager should remind the Panel to adhere to the powers given to the Panel by the applicable Policy. For example, if the Policy does not permit the Panel to suspend the respondent indefinitely, then the Panel cannot sanction the respondent in this manner.

5.9 Communication

- i. Especially when the hearing is to be held by written submissions, the Case Manager is required to communicate swiftly, clearly, and decisively with each party. The parties must adhere to the deadlines set by the Case Manager or by the applicable Policy and the process must move forward even if a party misses a deadline.
- ii. When coordinating an oral hearing, the Case Manager should first consider the schedule of the Panel, then the schedule of the complainant, and then the schedule of the respondent in an attempt to find a suitable time for everyone.

5.10 Suggested Procedure

- i. The Case Manager may implement the following procedure to facilitate the *Discipline and Complaints Policy* or the *Appeal Policy*:
 - a. Receive the written complaint or appeal
 - b. Communicate with the Complainant/Appellant that you have been appointed the Case Manager and that their complaint/appeal will be disclosed to the Respondent and Panel. Also determine if there is additional evidence or written submissions to follow, if so, provide a deadline for receipt. (After this step, the Complainant/Appellant may not have another opportunity to make additional submissions or provide evidence, unless determined otherwise by the Panel)
 - c. Determine whether the complaint is within the jurisdiction of the applicable Policy.
 - d. Notify the Respondent that you are the Case Manager and are in receipt of a complaint/appeal. Communicate to the Respondent that any submissions will be provided to the Complainant/Appellant and Panel. Provide the Respondent with a reasonable timeframe to submit their response document and any applicable evidence. (After this step, the Respondent may not have another opportunity to make additional submissions or provide evidence, unless determined otherwise by the Panel).
 - e. The Case Manager may wish to provide the Complainant/Appellant to submit a rebuttal, but the rebuttal must be limited to issues raised by the Respondent and is not an opportunity to provide new evidence. The Panel may exclude such new evidence.
 - f. Appoint the Panel
 - g. Conduct a hearing either via written documentation, teleconference, in – person, or a combination of these techniques.
 - h. Ensure the Panel renders a written decision within a prescribed timeline.

GYMNASTICS SASKATCHEWAN DISPUTE RESOLUTION POLICY SUITE

CONFLICT OF INTEREST POLICY

6. CONFLICT OF INTEREST POLICY

6.1 Definitions

- i. The following terms have these meanings in this Policy:
 - a. “Association” – Gymnastics Saskatchewan
 - b. “Conflict of Interest” – Any situation in which a person’s decision-making, which should always be in the best interests of the Association, is influenced or could be influenced by personal, family, financial, business, or other private interests.
 - c. “Persons” – All categories of membership defined in the Association’s Bylaws, as well as all persons engaged in activities with the Association including, but not limited to, athletes, coaches, referees, officials, volunteers, managers, administrators, committee members, and directors and officers of the Association
 - d. “In writing” - A letter, fax or email sent directly to the Association.
 - e. “Pecuniary Interest” - An interest that a person may have in a matter because of the reasonable likelihood or expectation of financial gain or loss for that person, or another person with whom that person is associated.
 - f. “Non-Pecuniary Interest” - An interest that a person may have in a matter which may involve family relationships, friendships, volunteer positions or other interests that do not involve the potential for financial gain or loss.

6.2 Background

- i. Persons who act on behalf of an organization have a duty first to that organization and second to any personal stake they have in the operations of the Association. For example, in not-for-profit organizations, Directors are required, by law, to act as a trustee (in good faith, or in trust) of the Association. Directors, and other stakeholders, must not put themselves in positions where making a decision on behalf of the Association is connected to their own “pecuniary” or “non-pecuniary” interests. That would be a conflict of interest situation.

6.3 Purpose

- i. The Association strives to reduce and eliminate nearly all instances of conflict of interest at the Association – by being aware, prudent, and forthcoming about the potential conflicts. This Policy describes how persons will conduct themselves in matters relating to conflict of interest and will clarify how persons shall make decisions in situations where conflict of interest may exist.
- ii. This Policy applies to all persons.

6.4 Obligations

- i. Any real or perceived conflict of interest, whether pecuniary or non-pecuniary, between a person's personal interest and the interests of the Association, shall always be resolved in favour of the Association.
- ii. Persons will not:
 - a. Engage in any business or transaction, or have a financial or other personal interest, that is incompatible with their official duties with the Association, unless such business, transaction, or other interest is properly disclosed to the Association and approved by the Association.
 - b. Knowingly place themselves in a position where they are under obligation to any person who might benefit from special consideration or who might seek preferential treatment.
 - c. In the performance of their official duties, give preferential treatment to family members, friends, colleagues, or organizations in which their family members, friends, or colleagues have an interest, financial or otherwise.
 - d. Derive personal benefit from information that they have acquired during the course of fulfilling their official duties with the Association, if such information is confidential or not generally available to the public.
 - e. Engage in any outside work, activity, or business or professional undertaking that conflicts or appears to conflict with their official duties as a representative of the Association, or in which they have an advantage or appear to have an advantage on the basis of their association with the Association.
 - f. Without the permission of the Association, use the Association's property, equipment, supplies, or services for activities not associated with the performance of their official duties with the Association.
 - g. Place themselves in positions where they could, by virtue of being an Association person, influence decisions or contracts from which they could derive any direct or indirect benefit.
 - h. Accept any gift or favour that could be construed as being given in anticipation of, or in recognition for, any special consideration granted by virtue of being an Association person.

6.5 Disclosure of Conflict of Interest

- i. Persons shall disclose real or perceived conflicts of interest to the Association's Board immediately upon becoming aware that a conflict of interest may exist.
- ii. Persons shall also disclose any and all affiliations with any and all other organizations involved with the same sport. These affiliations include any of the

following roles: athlete, coach, manager, official, employee, volunteer, officer or director.

6.6 Minimizing Conflicts of Interest in Decision-Making

- i. Decisions or transactions that involve a conflict of interest that has been proactively disclosed by a person will be considered and decided with the following additional provisions:
 - a. The nature and extent of the person's interest has been fully disclosed to the body that is considering or making the decision, and this disclosure is recorded or noted.
 - b. The person does not participate in discussion on the matter.
 - c. The person abstains from voting on the decision.
 - d. For board-level decisions, the person does not count toward quorum.
 - e. The decision is confirmed to be in the best interests of the Association.
- ii. For potential conflicts of interest involving employees, the Association's CEO will determine whether there is there a conflict and, if one exists, the employee will resolve the conflict by ceasing the activity giving rise to the conflict. The Association will not restrict employees from accepting other employment contracts or volunteer appointments provided these activities do not diminish the employee's ability to perform the work described in the employee's job agreement with the Association or give rise to a conflict of interest.

6.7 Conflict of Interest Complaints

- i. Any person who believes that a person may be in a conflict of interest situation should report the matter, in writing (or verbally if during a meeting of the Board or any committee), to the Association's CEO who will as quickly as possible decide appropriate measures to eliminate the conflict.
- ii. The Association's decision as to whether or not a conflict of interest exists will be governed by the following procedures:
 - a. Copies of any written documents to be considered by the Board will be provided to the person who may be in a conflict of interest situation
 - b. The person who may be in a conflict of interest situation will be provided an opportunity to address the Association's Board orally or if granted such right by the Association's Board, in writing
 - c. The decision will be by a majority vote of the Association's Board

- iii. If the person acknowledges the conflict of interest, the person may waive the right to be heard, in which case the Association's Board will determine the appropriate sanction.

6.8 Decision

- i. After hearing and/or reviewing the matter, the Association's Board will determine whether a conflict of interest exists and, if so, the sanctions to be imposed.

6.9 Sanctions

- i. The Board may apply the following actions singly or in combination for real or perceived conflicts of interest:
 - a. Removal or temporary suspension of certain responsibilities or decision-making authority.
 - b. Removal or temporary suspension from a designated position.
 - c. Removal or temporary suspension from certain teams, events and/or activities.
 - d. Expulsion from the Association.
 - e. Other actions as may be considered appropriate for the real or perceived conflict of interest.
- ii. Any person who believes that a person has made a decision that was influenced by real or perceived conflict of interest may submit a complaint, in writing, to the Association to be addressed under the Association's *Discipline and Complaints Policy*.
- iii. Failure to comply with an action as determined by the Board will result in automatic suspension from the Association until compliance occurs.
- iv. The Board may determine that an alleged real or perceived conflict of interest is of such seriousness as to warrant suspension of designated activities pending a meeting and a decision of the Board.

6.10 Enforcement

- i. Failure to adhere to this Policy may permit discipline in accordance with the Association's *Discipline and Complaints Policy*.
