

## Gymnastics Saskatchewan Coach Mentorship Program

Gym Sask is dedicated to offering coach mentorship to Gymnastics Foundations and Competition stream coaches. The purpose of this program is to connect each coach with a suitable mentor coach who will address their specific coaching needs, offer continued learning for coaches (outside of the NCCP) and provide participants with opportunities to connect with other coaches. This mentorship program will have two application streams so that virtual learning opportunities may be targeted towards Gymnastics Foundations or Competitive stream coaches.

### Program Goals

#### Connecting Coaches

Coaches in the mentorship program will be provided the opportunity to network with each other to share ideas, successes, and challenges. Opportunities will be provided to connect virtually and exchange contact information.

#### Learning from Leaders

There will be 4 virtual learning opportunities provided to each coaching stream. Coaches will be expected to attend all four workshops. Guest speakers will be identified for each workshop topic and the topics will be suitable for all gymnastics disciplines.

#### Practical Experience & Mentorship

Coaches will be paired with a mentor coach who will work with the coach to identify specific mentorship needs and assign 3 tasks tailored to support their future aspirations that will be completed during the duration of the program. The mentor coach will meet with the coach virtually twice and once in person (restrictions permitting) and will be available to provide support and answer questions.

### Who can apply?

This mentorship program is open to any Gym Sask member coaches who are currently employed with a Saskatchewan club, are a minimum of NCCP GF Trained, and are in good standing with Gym Sask and their local club.
