

GYMNASTICS SASKATCHEWAN

SASKATCHEWAN GAMES COACH & MANAGER APPLICATION

Each District will send 3 coaches and 1 manager to the Games. Amongst those four positions, both genders must be represented. The Head Coach of the District must be Competition 1 certified (Level 2) in at least one discipline, and the Assistant Coach must be Gymnastics Foundations certified (Level 1) in at least one discipline. Coaches must be prepared to coach athletes from all disciplines.

All coaches and managers interested in applying to attend the Saskatchewan Winter Games must apply by returning the Coach application to the Gymnastics Saskatchewan office by September 24, 2021 to kmandzuk@gymsask.com.

Coaches will be selected by a committee made up of:

- Gym Sask CEO
- Gym Sask Technical Director
- Gym Sask Program Coordinators in each discipline

The coaches will be selected based on:

- Certification level
- Prior experience with more than one discipline
- Gender
- Needs of the team (for instance, if athletes from one of the disciplines are very inexperienced, it may be deemed necessary to include a coach specifically trained in that discipline)

It is preferable that the manager also be a certified coach but if a fourth coach is not available, the manager may be a chaperone with no coaching experience.

As per Saskatchewan Games Council requirements, criminal record checks must be submitted for each coach chosen to attend the Games. All coaches chosen to attend the Games must attend the Team Trials in November. All accommodation, meal, and travel expenses of the coaches attending the Games will be covered by the Sask. Games Council.
