**RHYTHMIC GYMNASTICS
TECHNICAL RULES AND REGULATIONS
2021-2022**

All technical rules and regulations for rhythmic gymnastics in Saskatchewan are under the jurisdiction of Gymnastics Saskatchewan's Technical Director or CEO in consultation with the RG Technical Committee.

All rhythmic gymnastics programs and competitions sponsored or sanctioned by Gymnastics Saskatchewan shall be governed by the rules and regulations established in this manual, by Gymnastics Canada Gymnastique (Gym Can) and/or the International Gymnastics Federation (FIG).

Only gymnasts, coaches and judges who are registered members in good standing of Gymnastics Saskatchewan are eligible to take part in Gymnastics Saskatchewan programs and competitions in and/or out of province.

1. GYMNAST DEVELOPMENT AND COMPETITIVE PROGRAMS

Gymnastics Saskatchewan offers programs for rhythmic gymnastics in recreational, Inter-Club and competitive categories. The following policies have been developed and will apply to all rhythmic programs in Saskatchewan.

1.1 Inter-Club Programs

RHYTHM CAT

Gymnastics Saskatchewan has developed the Rhythm Cat program in response to the growing need in rural and urban centers for a gymnastics program that fits between the recreational/performance and competitive levels. The Rhythm Cat program offers competition development in both individual and group environments. Categories are defined by the age of the gymnast. Rhythm Cat manuals are available on the Gymnastics Saskatchewan website. Rhythm Cat stream gymnasts may be eligible to compete as an individual and/or group member in club invitationals.

Clubs are encouraged to host Rhythm Cat Invitationals to allow for a minimum of two opportunities per season for Rhythm Cat athletes to compete.

1.2 Provincial Competitive Programs

This program is designed for gymnasts wanting to compete at the provincial and regional levels. A number of levels and age categories are offered based on the RGI and RGG program by Gymnastics Canada to provide safe and enjoyable competition opportunities for gymnasts of various levels of ability and commitment. The most up to date program documents can be found on the Gym Can and Gym Sask website.

Provincial stream gymnasts may be eligible to compete as an individual and/or group member in the following competitions.

- Club Invitational Competitions
- Provincial Championships
- Western Regional Championships (pending qualification)

1.3 National Competitive Programs:

These levels of competition are designed for gymnasts aspiring, or ready, to compete at national levels with increased skill difficulties. National and international competition rules are based on the FIG (International Gymnastics Federation) Code of Points. All National stream gymnasts may be eligible to compete as an individual and/or group member in the following competitions.

- Club Invitational Competitions
- Provincial Championships
- Western Regional Championships (pending qualification)
- Canadian Championships (pending qualification)
- Elite Canada (pending qualification)

1.4 High Performance

Competitive gymnasts may be eligible for provincial high-performance programs, depending on the season and number of registered athletes in the province. These programs will be developed by the RG Technical Coordinator in consultation with Gym Sask staff and the RTC to allow for additional training opportunities for gymnasts with National team potential.

2. GYMNAST REGISTRATION & ELIGIBILITY

All gymnasts must declare their level of performance or competition upon registration with Gymnastics Saskatchewan each fall by the membership deadline.

2.1 Eligibility, Mobility and Upgrades

GENERAL

Demonstration for gymnasts not age eligible or not registered in a given category is not permitted. These gymnasts must be redirected towards different programs.

Competition or performance out of province in a category or an age that a gymnast is not eligible to be in province, is not permitted. For all levels, inter-club and competitive gymnasts attending out of province events must inform Gym Sask of their intention and receive approval by submitting a Travel Sanction Request form. **Level 1B and Inter-Club athletes will not be sanctioned to travel outside of the province.**

2.1.1 Inter-Club (Rhythm Cat)

INDIVIDUAL

- All gymnasts must be registered members and members of a club in good standing of Gymnastics Saskatchewan in order to participate in a sanctioned competition.
- Inter-Club stream gymnasts must be 7 years of age in the competitive year in order to compete in sanctioned competition.
- A gymnast must compete in the level corresponding to his/her birth year.

2.2.3 Competitive (Provincial & National)

INDIVIDUAL

- All Gymnasts must be registered with a member club of Gymnastics Saskatchewan.
- Provincial stream gymnasts compete in designated age-appropriate categories as defined by Gymnastics Canada. Gymnasts move through the ability levels of each of the Provincial and National stream programs according to age eligibility.
- In conjunction with Rhythmic Manitoba, the masters level has been added as a “de-training” level and a way for older athletes to stay in the sport in a competitive way.
- Upgrade of level is allowed at any time during the year. Gymnasts may move from the Provincial to National stream program.
- Gymnasts participating in Provincial competitive events may not participate in Inter-Club events.
- An individual gymnast cannot move to a lower level than where the gymnast competed in the previous competitive year without RG Technical Committee approval. Mobility from the National stream to the Provincial stream is allowable only to the C level that is appropriate with the age of the athlete.

GROUP

- Group member eligibility must follow the Rhythmic Gymnastics Canada Technical rules.
- Gymnasts competing individually and as a member of a group may not compete in a group whose age or level category is lower than the gymnast’s individual age or level category.
- Appeals must be made to the RTC for any non-standard group compositions (i.e., a provincial level athlete wanting to compete in a National level group and Inter-Club athlete wanting to compete in a provincial level group).

2.2 Levels & Age Groups

Inter-Club

Rhythm Cat has 5 levels. Please refer to the program manual for details related to age and levels for individual and group events.

PROVINCIAL COMPETITIVE

There are 6 levels in the Provincial Stream Program, as well as the Master's level. Provincial Stream athletes in Levels 2-6 are eligible to attend Provincial Championships. The master level athletes should still be judged and receive scores at Provincials, but with no flashing of scores.

NATIONAL COMPETITIVE

There are 3 levels in the National Stream Program – Novice, Junior Open and Senior Open. National Stream athletes are required to compete in Provincial Championships unless special permission is received from Gymnastics Saskatchewan's Technical Director or CEO.

3. OFFICIALS PROGRAM REGULATIONS

The following judging rules and regulations will govern rhythmic gymnastics programs in Saskatchewan.

3.1 General

- Inter-Club and Provincial judging rules, regulations and procedures are under the jurisdiction of Gymnastics Saskatchewan's Technical Director or CEO in consultation with the RG Technical Committee.
- National judging certification programs and policies are the responsibility of Gymnastics Canada.
- All judges attending a judging course and/or acting as active judges for Gymnastics Saskatchewan and/or their club must be registered members in good standing of Gymnastics Saskatchewan through an affiliated member club in good standing or as an independent member at the prescribed judging membership fee.
- Judges may be affiliated with only one club.
- Each club is required to train and develop a pool of judges who will travel with the gymnasts to meets and will be available to help gymnasts and coaches prepare for competition.
- All judges must apply to the RG Technical Coordinator for permission to judge and/or be confirmed at a meet out of province.
- Only clubs that have their own trained judges will be allowed to hire independent or other club judges for their services when their own club judges are not available. Clubs that don't have their own trained judges will be required to pay the appropriate fine.
- Host clubs may hire judges without restrictions to fulfill the needs for their competition.

3.2 Certification Levels

The following are the Judging levels in Saskatchewan.

Rhythm Cat
Provincial 2
Provincial 1
National 3
National 2
National 1
Brevet

ELIGIBILITY

- The minimum age to judge at the Rhythm Cat level is 13 years for previous competitive gymnasts and 15 years old for all others.
- 15 years old as of December 31, 2021 or those with no former gymnastics experience may enter the program at Provincial 2.

- Eligibility for any of the National levels is governed by Gymnastics Canada and is at the recommendation of the RG Technical Committee.
- The minimum age for National judges is 18 and they must have a minimum of 2 years at the Provincial level (P1) before attempting to upgrade to National.

3.3 Judging Certification Clinics

All clinic registration fees are the responsibility of the individual judge and/or their club. All judges taking certification clinics must be or become members of Gymnastics Saskatchewan and pay membership fee. Course fees shall be established annually by Gymnastics Saskatchewan to offset costs of materials, facilities and clinician honoraria.

3.4 Certification Program Requirements

3.4.1 Inter-Club/Rhythm Cat

The requirements for Rhythm Cat judges are as follows:

- Attend and complete a Rhythm Cat course offered by Gymnastics Saskatchewan. *
- Complete 3 hours of gym observation prior to their first competition. For new judges, these observation hours must be supervised and signed by a P1 or higher-level judge. If clubs do not have a P1 or higher-level judge, they must make arrangements with another club, or hire a judge to visit their home club.

** Judges who are currently certified as provincial or national judges are recommended to attend a Rhythm Cat course each year to ensure they are familiar with the differences between Rhythm Cat and provincial/national level programming. If attendance is not possible, exceptions may be made.*

The Head Judge for all Rhythm Cat competitions must be at minimum certified Provincial 1.

3.4.2 Provincial

The requirements for provincial judges are as follows:

- Attend and complete the provincial clinic offered by Gymnastics Saskatchewan (exam may be required to complete the course).
- Complete 6 hours of gym observation prior to their first competition. For new judges, these observation hours must be supervised and signed by a P1 or higher-level judge. If clubs do not have a P1 or higher-level judge, they must make arrangements with another club, or hire a judge to visit their home club.

All provincial judges start at the P2 level. To upgrade to P1, judges must be active for a full two years and judge a minimum of 3 competitions per year, one of which is the Provincial Championships. Once these requirements are met, judges may request to upgrade to P1 by applying to the Technical Coordinator. An exam or evaluation may be required.

Depending on available judges for an in-province competitions, the Technical Coordinator reserves the right to ask any P2 provincial judges to shadow judge instead. Shadow judges may not use the competition towards any upgrade but may use the opportunity to learn from more experienced judges.

P2 judges will not be sanctioned to travel to out of province competitions.

3.4.3 National

All National and International judges shall be governed under the Gymnastics Canada Judging regulations.

It is highly recommended that all National judges attend and complete any clinics offered by Gymnastics Saskatchewan.

3.5 Judging Assignments

GENERAL

Assignments for Provincial Championships, any trials event or any Team Saskatchewan verification will require approval by the Technical Coordinator.

Judging Assignments for Western Regional Championships or any other National level competition will be administered by the Technical Director or CEO or their designate. These assignments if greater than allowed will be assigned in collaborations with the RTC, keeping in mind the following priorities:

- 1) Experience (highest level)
- 2) Need to upgrade (National level)
- 3) Need to upgrade (Provincial level)
- 4) As recommended by the judging chair

Intent to judge at these events must be submitted to the judging chairperson by Dec. 31 of each year. NOTE: Must be at least a Provincial level 1 to judge at Western Regional Championships Provincial Stream, and at least a National 2 to judge at Canadian Championships; per Gym Can regulations)

For sanctioned competitive invitationals, host clubs will administer club invitational judging assignments. Juries must be submitted for approval to the Gymnastics Saskatchewan a minimum of 3 weeks prior to the meet and distributed once approved to judges and clubs at least 2 weeks before the meet. **Penalty fee of \$50 will be implemented if not submitted within this time period.** Any subsequent changes to the juries must also be approved. Unauthorized changes to the juries may result in the meet losing its status as a sanctioned qualifying meet. Final juries must be sent to the Provincial Record Keeper at Gym Sask after the meet.

JURY COMPOSTITION

Meets that are being used to qualify gymnasts for Provincials must follow these judging jury requirements.

* Note: Multiple responsibilities may be assigned to a judge. If the total number of judges is not available, the panels can be modified accordingly with RTC approval.

Title	Duties
Coordinator/Head Judge (C) 1 judge	This judge will apply the penalties for leaving the floor area, timing of the exercises, and all the other penalties concerning the discipline (apparatus, leotard, placement on the floor area, etc.)
Difficulty Judges (DB)- Four in Total First Subgroup: DB (DB1, DB2) Second Subgroup: DA (DA1, DA2)	DB1, DB2 work independently and then give a common score. This subgroup evaluates the number and technical value of Difficulty of Body, Dynamic elements with Rotation, and recognition of body waves. DA1, DA2 work independently and then give a common score. This subgroup evaluates the number and technical value of Difficulty of Apparatus and the presence of required fundamental apparatus technical elements.
Artistry (A) Panel – 4 in total	A1, A2, A3, A4 evaluate the artistic faults by deduction and without consulting the other judges. The highest and lowest scores are eliminated, and the remaining 2 scores are averaged for the final A-score.

Execution Judges (E)- 4 in total	E1, E2, E3, E4 evaluate the technical faults by deduction, without consulting the other judges. The highest and lowest scores are eliminated, and the remaining 2 scores are averaged to give the final E-score.
Minor Officials Line judges 2 per jury Timer 1 or 2 per jury	

3.6 Competition Requirements and Penalties

GENERAL

- Judges and evaluators assigned to a competition are expected to be available to judge at all levels for which they are qualified. Allowances will be made on an individual basis.
- Penalties shall be retained by the host club for invitational meets to assist with the costs of bringing in additional judges required.
- All payments for judging fines must be made prior to the start of the competition.

RHYTHM CAT

All participating clubs are required to provide 1 qualified judge per 6 gymnasts registered in an event (1 to 6 gymnasts = 1 judge). There will be a fee charged to clubs of \$50 per gymnast with missing judges.

PROVINCIAL

All participating clubs are required to provide 1 qualified judge for each 6 gymnasts at invitationals and Saskatchewan Championships. There will be a fee charged to clubs of \$75 per gymnast with missing judges.

3.7 Expenses and Payment of Judges

GENERAL

The expenses (honorariums and travel) of judges to attend all competitions/events **are the responsibility of the judge's club**. The only exception is Provincial Championships, which is as follows:

Provincial Championships

Host club responsibility:

- Pay honorarium for ALL disciplines as per Gym Sask rates.

Gym Sask responsibility:

- Gym Sask will pay for all mileage and accommodations for ALL disciplines.
- Judges MUST carpool, mileage will not be paid if there is only 1 judge per car unless pre-approved by Gym Sask.
- Gym Sask MUST book accommodations for judges, if judges choose to stay alone or book their own room, Gym Sask will pay ½ a room night + tax cost at the rate given by the host hotel. Judge must provide receipt.
- Athlete & coaches who are also judges will not receive mileage. Honorarium will be paid. If Accommodation expenses incurred because of the schedule will be covered by the host, these expenses must be approved by the Gym Sask judging chair.

Expenses of judges travelling as part of Team Saskatchewan to designated meets such as Elite Canada, Western Regional and Canadian Championships shall be funded by Gymnastics Saskatchewan as approved by the Technical Director or CEO. No hourly honoraria is paid by Gymnastics Saskatchewan to judges for attending Team Sask, National or Western events.

CLINICS

The expenses and honorariums of judges to attend certification or other clinics are the responsibility of the judge and/or their club.

Gymnastics Saskatchewan may pay/share expenses for National level judges to attend courses/clinics and qualifying competitions in order to maintain and/or upgrade their level.

Gymnastics Saskatchewan will pay expenses and honoraria for National level judges for conducting judging certification clinics as organized by Gymnastics Saskatchewan. Course Conductors shall receive \$35 per hour up to a maximum of \$450 per course (this will include course preparation and correction of any exams).

HONORARIA

Judges and evaluators shall be paid based on their certification level, not the level of the competition/event.

Shadow Judges	NO HONORARIA
Rhythm Cat	\$ 15 per hour
Provincial	\$ 20 per hour
National	\$ 30 per hour
Brevet	\$ 35 per hour

Honorariums should apply from the time the judges meeting begins until the end of the competition. Judges must receive an unpaid 30 min break during the competition day.

In the case that a judge has been sent by their home club to a competition/event to fulfill their judging requirements (based on the number athletes attending) the judge must be paid by their **home club**.

In the case that a judge has been hired by the club hosting the competition/event to maintain the minimum number of judges, the judge must be paid by the competition **host club**.

Clubs must ensure that their required judges are paid or provided account credit for the correct honorarium as listed for every session judged at an in-province sanctioned competition in which their club is entering gymnasts. All judges must receive payment regardless of whether they were “hired” by the host club or “required” by the host club.

EXPENSE RATES

Please refer to the Gym Sask expense claim form for the current season.

3.8 Judging Uniforms

The judging uniform for all judges for Gymnastics Saskatchewan sanctioned competitions (Rhythm Cat or Competitive stream) is: navy or black slacks or skirt, white top, navy or black blazer, and dark-coloured soft-soled shoes. Judges may not wear denim, or any type of cardigan or casual wear.

Open toed shoes or sandals or shoes with spiked or narrow heels are not allowed at events where competition mats are present.

Nationally sanctioned competitions require uniforms as designated by Gym Can.

3.9 Record of Meets

It is up to the individual judge to take proper records of their judging experience for the purpose of upgrading. Gymnastics Saskatchewan will retain all jury information for reference if required.

3.10 Professionalism of Judges

Judges are held responsible in matters concerning professionalism, fair play, attendance, promptness and proper dress. All judges shall abide by the Code of Conduct as prescribed by Gymnastics Saskatchewan and Gymnastics Canada.

For more regulations related to officials, please consult the Gymnastics Saskatchewan Operational Policies and Procedures Manual.

4. COACHES PROGRAM REGULATIONS

GENERAL

In order to maintain the privilege of membership in Gymnastics Saskatchewan, all coaches shall act in accordance with the established Gymnastics Saskatchewan, Gymnastics Canada and Coaches Association of Canada Code of Conduct.

All coaches must be certified through the National Coaching Certification Program (NCCP) and must also have completed MED and the Respect In Sport program (RIS). Information on coaching certification can be found on the Gym Sask website. All coaches involved in Gymnastics Saskatchewan programs and competitions must meet the minimum certification requirements as stated in Gymnastics Saskatchewan coaching policies.

Coaches on the competition floor shall adhere to the following dress codes and rules of conduct:

- The following attire is required for each rhythmic coach during all sanctioned events including galas and competitions (during training, warm-up and performance/competition): Appropriate bottom: long pants, capris or skirt no more than 1" above the knee; appropriate top: club or provincial shirt, polo shirt, blouse, professional type blazer or dressy type jacket or track suit jacket. Clothing choice must exclude hats, shorts, midriff tops, tank tops, ripped or torn clothing; no logos other than gymnastics logos; appropriate indoor footwear. High heel shoes are not recommended.
- In case of inappropriate clothing, a Gymnastics Saskatchewan representative will issue a verbal warning; if the situation is not corrected in the following 30 minutes, a \$40.00 penalty will be levied; upon a second occurrence at the same meet, the coach may be asked to leave the floor.
- When attending competitions as a Team Sask coach, all coaches must be wearing Gymnastics Saskatchewan apparel during competition. In the case that this requirement is not met, a Gymnastics Saskatchewan representative will issue a verbal warning; if the situation is not corrected in the following 30 minutes, a \$40 penalty will be levied and the Team Sask coach will not receive any funding reimbursement for that event (travel, meal per diem, etc).
- In the event that more than one Team Sask coach is attending a competition, all coaches must be wearing matching apparel during competition. In the case that this requirement is not met, the same penalties apply as above.
- Improper or unsportsmanlike behavior at a competition (athlete, coach, judge and official) which is considered unacceptable according to the FIG Code of Points, or the Code of Conduct as outlined in the Policy Manual or the rules generally accepted in the Canadian society will be immediately sanctioned by the Chief Judge; and/or the CEO, Technical Director, or a member of the Gym Sask Board of Directors or their representative. They will also determine if the offence is to be brought forward as a formal complaint under the Discipline Policies.
- Improper or unsportsmanlike behavior, including standing behind a judge(s) while an athlete is being evaluated by judges, unfounded or derogatory comments about the judges or the judging, etc. are subject to a sanction. Such an offense may be sanctioned by a verbal or written warning and/or a written reprimand. A series (three or more) of these minor offenses in the same competition will be treated as a serious offence.
- The sanctions in case of a serious offence are:
 - first offence during the entire competition: yellow card;
 - second offence during the same competition: \$200.00 fine;
 - third offence during the same competition: \$300.00 fine, red card and possible removal from gym floor.
- A very serious infraction to the Code of Conduct may be sanctioned by immediate removal of access to training, warm-up and competition floor. Additional sanctions may be imposed as per the Dispute Resolution Policy.

- If a coach is given a Yellow Card for one offense and then commits another offense he/she will then be given a Red Card. It is not necessary to have repeated the same offense. If a coach has deliberately caused a disruption, he/she may be Red Carded immediately.
- All coaches named to a Provincial team must be members in good standing of Gymnastics Saskatchewan and must be endorsed by their respective technical committees

RIS = Respect in Sport (online education program)

All coaches who are at least 13 years old are required to complete the Respect in Sport (RIS) online program designed and implemented by Gymnastics Canada. The RIS is a tool to assist coaches in identifying and dealing with abuse, neglect, harassment and bullying. Coach affiliation status will be given only to coaches who have completed the program.

MED = Making Ethical Decisions (online exam) Comp-Intro version

All certified coaches are required to complete the MED online exam. This exam helps coaches identify the legal, ethical and moral implications of situations that present themselves in the world of individual and team sport. By taking the Gymnastics Foundations Theory course, you will have gained the knowledge and information required to complete the Online Evaluation.

Non-certified apprentice coaches (CITs) can help coach at any level, if they are under the supervision of a Certified coach. Coaching certification exemptions may be required.

COMPETITIONS

The following certifications are required if a coach is actively coaching gymnast on the competition floor at competitions in and out of Saskatchewan:

- Inter-Club/Recreational – Certified Gymnastics Foundations (or Level 1 Certified)
- Invitational – Level 2 Technical or Competition 1 Trained
- Saskatchewan Championships & Sask Winter Games – Certified Level 2 or Competition 1 Certified
- Western Championships – Competition 1 Certified
- Canadian Championships – Certified Level 3
- Canada Games, Western Canada Games – Certified Level 3 (assistants may be Level 2 Certified or Competition 1 Certified)

COACHING CERTIFICATION TEMPORARY EXEMPTIONS

Coaches may apply for temporary exemptions for certification requirements. The following rules will be applied or the coach will not be sanctioned to be coaching in the requested capacity or allowed on the competition floor:

- No exemptions will be given for Gymnastics Foundations Introduction.
- A maximum of 18 months will be given once to any individual for Gymnastics Foundations Certification.
- No exemptions will be given for RG Level 2 Technical.
- A maximum of 1 time per Saskatchewan Championships will be given to any individual for RG Level 2 Certification.
- Some Level 2 and Level 3 Certification exemptions are considered for Gym Can events by Gym Can but require HP Committee endorsement and a letter from the Technical Director.

- Measuring tape for the measurement of the length of the ribbon, stick, clubs, and the hoop diameter.

5.2 Music regulations

Gymnasts shall provide their own musical accompaniment at competitions by approved electronic means. Music for each routine of an athlete must be in accordance with the FIG Code of Points and Gym Can program.

6. COMPETITION REQUIREMENTS

COMPETITION AREA HEIGHT

Rhythm Cat Competitions: The facility must be a gymnasium sized room with a minimum performance area of 50 feet X 50 feet, with a surrounding area of minimum 3 feet and seating for at least 200 people.

Provincial/National Level Competitions: Should have a minimum ceiling height of 8 meters (26.7feet) (10 to 12 meters preferably), without obstruction.

COMPETITION AREA DIMENSIONS

Working surfaces of 13 m by 13 m (exterior of the line) are compulsory and a safety zone (also carpeted) of 50 cm width at the minimum must be provided along the edge of the floor area.

A carpeted competition floor area as stipulated above must be provided along with a carpeted warm-up area. The working surface must correspond to any [FIG standards](#):

- The carpet must be located on a surface that is solid, even, and without gaps.
- If the surface is composed of several parallel carpet rolls, the seams of the performance carpet shall be perpendicular to the direction of the judges’ table.
- Carpet must have equal elasticity on the surface as well as dampening. When in use it should not have any motion energy.
- Elasticity and dampening must be balanced in such a way that they guarantee the gymnast stability and freedom of movement. It must no restrict turns and slide movements.
- Must not produce disturbing sound during the execution and must provide a balance between anti-skid and slide movements.

The safety distance between the working surface and the spectators must be at least 4 meters.

EVENT SCHEDULE

- Competition/event day should not run longer than 8 hours in one day.
- Event hosts must provide a realistic schedule and run all competitions on time to avoid long delays that may cause stress on athlete warm-ups.
- A 12-hour break should be given between the end of the first day's competition and the beginning of the second day, if the same judges are assigned.

INVITATIONAL COMPETITIONS AND EVENTS

Members clubs must apply for sanction to host Invitational competitions. Each host club will circulate all event details including: age and category requirements, apparatus and technical requirements, costs, schedule, judging requirements and any other details important to hosting the event.

SELECTION OR TRIAL MEETS

In the case of rhythmic gymnastics, the RTC will designate the qualifying meet/meets where athletes must achieve the qualifying score to make the team.

7. Saskatchewan (Provincial) Championships

Gymnastics Saskatchewan will offer annually a Saskatchewan Provincial Championship competition during which Provincial Champions will be declared for each level.

QUALIFICATION

To be eligible for Saskatchewan Championships, all gymnasts must be registered in the appropriate competitive level with Gymnastics Saskatchewan and gymnasts must have taken part in minimum one in or out of province Gymnastics Saskatchewan sanctioned competition in the same level they are registering for.

Eligible levels that may participate in provincial championships include: Provincial Levels 2-6 and National levels ONLY.

PETITIONS

Petitions may be accepted if received in writing by the RG Technical Committee no later than the date of the registration deadline for Saskatchewan Championships. Petition forms can be found at www.gymsask.com/membership/forms/.

REGISTRATION

Clubs are responsible to submit entries for Provincial Championships verifying each gymnast's eligibility.

AWARDS

Awards will be handed out for 1st – 8th place for individual event, all around and group categories.

Medals should be awarded for AA 1-3rd placements, and ribbons may be awarded for all other awards.

In addition to individual awards, the following special awards will be awarded at Provincial Championships:

- Marta Kroupa Award for Top Individual Provincial Level
- Victoria Buriana Memorial Provincial Group
- Victoria Buriana Memorial Award for Top National Individual Level
- Nadya Mihaylova Award for Top National Group

In the case that there is only one group in the specified category, the above special awards will not be given.

8. SELECTION TO PROVINCIAL TEAMS AND CONDITIONS OF PROVINCIAL TEAM PARTICIPATION

8.1 Gymnasts

8.1.1 General

- Gymnasts are selected to provincial teams based on the AA scores obtained in the designated qualification competitions specific to the event.
- Once a gymnast or alternate has been selected to a provincial team, they must continue to train at a suitable training level, execute full routines with appropriate content, follow any reasonable requests of the RG Technical Committee, and notify them of any injuries. If the gymnast does not disclose any limitations that would prevent them from training and competing at the level for which they were selected, any Gym Sask funding they received or were eligible to receive may be withdrawn.
- Final team selection for Western Regional Championships, Canadian Championships and any Games event is the responsibility of the Technical Director and/or CEO.
- Gymnasts and alternates must be prepared to verify the requirements at mandatory training camps or team competitions held before competitive events or as required by the RG Technical Committee; verification will allow for judges, gymnasts and coaches to work together, provide a competition environment, and ensure that Gymnastics Saskatchewan is sending gymnasts who are ready to compete.
- Provincial Team gymnasts and their parents are expected to adhere to the Gymnastics Saskatchewan Code of Conduct and any other travel and team participation information provided to them.
- Provincial Team gymnasts must be prepared to travel and stay as team for all Team Sask events. All provincial teams will generally travel with a minimum of one coach and one manager. At the discretion of Gymnastics Saskatchewan, a manager may not accompany small teams and the coach will be required to take on manager/chaperone duties.

8.1.2 Selection to Western Regional Championships

Team Saskatchewan will consist of the gymnasts who achieve the following all around qualification standard before Western Regional Championships as determined by the RTC. The qualifying cut-off date will be determined once the competition calendar has been confirmed. Athletes aiming to attend and qualify to Western Regionals are highly recommended to compete at more than one competition, even if they have qualified on their first try. In the event that more than two provincial level athletes reach the qualifying score in their level, only the top 2 athletes in each level will be named to the team.

Level 3B – 18.62

Level 3C – 21.56

Level 4B – 19.11

Level 4C – 24.63

Level 5B – 21.53

Level 5C – 22.92

Level 6B – 23.62

Level 6C – 24.9

National Novice – 33.6

National Junior – 34.01

National Senior – 42.19

Club athletes will NOT be permitted/given sanction to participate in Western Regionals. Athletes who have not been named to Team Saskatchewan (whether through qualifying scores or a successful petition) will not be sanctioned to attend Westerns Regional Championship.

Provincial and National stream groups named to Team Saskatchewan will consist of any group who achieves the following all around qualification standard at a minimum one sanctioned competition/or trials event prior to the entry deadline for Western Regionals:

Level 3 3/4– 8.00

Level 3 5 - 8.00

Level 4 3/4 - 8.65

Level 4 5 – 8.65

Level 5 3/4 - 10.45

Level 5 5 -10.45

Level 6 2/3 – 10.71

Level 6 4/5 – 7.9

National Novice 5 - 17.55

National Junior 5 - 15.5

National Senior 5 - 23.75

If an individual gymnast does not qualify for Team Saskatchewan with the established AA score, but is competing with a group named to Team Saskatchewan, that gymnast will also be considered Team Saskatchewan for the event and the Team will be registered for the event as Team Saskatchewan. These carried Team Sask members will not be eligible for individual events at the competition.

For more information on petitioning athletes and/or groups who have not made Team Saskatchewan based on the above criteria, coaches should refer to section 8.1.6.

8.1.3 Selection to Canadian Championships

INDIVIDUAL CHAMPIONSHIPS

Any Saskatchewan gymnast that meets the following Gym Can qualification requirements will be a member of Team Saskatchewan:

- Top 10 gymnasts from Elite Canada
- Top 10 gymnasts in Junior and Senior Open at Western Regional Championships
- Top 2 gymnasts per province at Western Regional Championships
- Individuals who are members of the National Team Pool Junior or Senior groups and have been assigned to represent Canada internationally within 30 days before or after the Regional Championships will be exempted from this Regional Championships and will receive direct entry to the Canadian Individual Championships in addition to the 10 plus 2 per province qualified athletes.

GROUP CHAMPIONSHIPS

When eligible, National stream groups will be sanctioned to attend Canadian Championships by Gymnastics Saskatchewan through their respective club. These groups will not be a part of Team Saskatchewan nor receive funding for travel. If a minimum of four groups are competing at the same level, the Elite Canada performance-based funding formula will apply.

8.1.4 Selection to Elite Canada

Participation at Elite Canada is based on Gym Can qualification structure. If any Saskatchewan gymnasts are registered in this category and are eligible to compete, gymnasts may qualify for funding assistance.

8.1.6 Injuries and Medical Petitions

All appeals and petitions for team selection must be submitted by the gymnast's coach, to the Technical Director or CEO, prior to the qualifying competition, stating the reason for the petition, an explanation, justification and a doctor's certificate (if applicable). The doctor's certificate should include prognosis diagnosis and estimated time for recovery.

Petitioned gymnasts are ranked by the RG Technical Committee according to previous results, routine content, quality of execution, and potential to medal at the competition. Petitioned gymnasts are not automatically ranked below gymnasts who participated in the designated trials.

If a gymnast is injured during or after the final trials meet and named to the team, verification of full routines with full content shall be required at a verification no less than 1 week prior to departure. These verification events will be evaluated by a National level judge in a competition setting.

For Canadians selection: if a gymnast is injured for trials, the gymnast's coach may petition to use results from the past 12 months from a Gym Can sanctioned national level competition (with the same regulations as Canadians). Note: Entry to Canadian Championships is under the auspices of Gym Can, and Gym Can petition policy may apply.

For Western Regionals selection: if a gymnast is injured/absent for qualification events, the gymnast's coach may petition to use results from the past 12 months from competitions with the same regulations as Western Regionals.

Decisions on granting petitions will be made by the RG Technical Committee in the best interest of the gymnast concerned, taking into consideration the needs and performance of the provincial team as a whole and the regulations in place.

8.2 Coaches

All coaches named to a Provincial Team must have the required NCCP certification. All coaches named to a Provincial Team must provide a current police record check to Gym Sask as per the current screening policies.

Gymnastics Saskatchewan will determine the number of coaches funded to Team Sask events based on budget allocations and the number of gymnasts qualifying.

Gymnastics Saskatchewan may assist in accrediting additional coaches to the floor if the individual or club accepts financial responsibility. All such requests must come to the Technical Director or CEO. All coaches accredited to the floor, whether funded by Gymnastics Saskatchewan or by their club, or personally, shall be considered Team Coaches, part of the team delegation and they shall assume duties and responsibilities requested for the team operations.

8.3 Team Managers

Team managers will be selected by Gymnastics Saskatchewan's CEO or designate for the following competitions:

- Western Regionals and Canadian Championships
- Games programs/competitions
- Other events where Team Sask athletes are participating

Priority will be given to responsible adults who can provide proper supervision and support to gymnasts, coaches and officials. A team manager's first responsibility is to supervise and support gymnasts and team members, not to act as a coach on the floor. Team Manager selection should prioritize NCCP certified coaches first to align with the Gym Can "Golden Rule of Two".

All team managers must provide a current police Record Check as per Gym Sask Screening Policies.
