## EVENT INFORMATION

Gymnastics Saskatchewan has a proud history of hosting major regional and national events, most recently the 2019 Artistic Western Championships, 2018 Western Canada Cup, 2017 Western Rhythmic Gymnastics Championships, 2014 Western Artistic Championships and the 2012, 2007, 2003 Canadian Gymnastics Championships, to name a few.

Gymnastics Saskatchewan is the provincial sport governing body which oversees the six disciplines of gymnastics—women's artistic gymnastics, men's artistic gymnastics, trampoline and tumbling, rhythmic gymnastics, sport aerobics and sport acrobatics in the province. Our mission is to "EMPOWER & INSPIRE CHAMPIONS". We were incorporated as a volunteer based, non-profit organization in 1975, and are active members of Sask Sport and Gymnastics Canada. Participants of all ages and abilities enjoy taking part in gymnastics activities offered by our sixty-five member clubs across the province.

Gymnastics Saskatchewan is a leader in our sport community. We provide technical and organizational leadership through an athlete centered model. We foster recreational program opportunities for the development of fun, fitness and fundamental skills. We develop and nurture competitive and high performance sport programs for athletes, coaches and officials who aspire to reach their fullest potential.

In January of 2023, we will be hosting Elite Canada in Men's and Women's Artistic Gymnastics. The purpose of this event is to identify High Performance athletes, provide a national level competitive opportunity for developing athletes and to rank athletes as part of the system to have access to the Sport Canada Athlete Assistance Program – Carding and have National Team status. We would like to "INSPIRE THE ATHLETE" in your business, by offering you the opportunity to become a sponsor of this event and become involved with our winning organization.
