## **WOMEN'S ARTISTIC GYMNASTICS TECHNICAL RULES AND REGULATIONS**

**2023-2024**

### **Our Mission**

Gymnastics Saskatchewan provides high-quality, safe, inclusive and positive opportunities for the growth, development and enjoyment of gymnastics in Saskatchewan.

All technical rules and regulations for women's gymnastics in Saskatchewan are under the jurisdiction of Gymnastics Saskatchewan's Technical Director in consultation with Gymnastics Saskatchewan staff and the Women's Technical Committee (WTC).

All women's gymnastics programs and competitions sponsored or sanctioned by Gymnastics Saskatchewan shall be governed by the rules and regulations established in this manual, by Gymnastics Canada Gymnastique (GYM CAN) and/or the International Gymnastics Federation (FIG).

Only gymnasts, coaches and judges who are registered members in good standing of Gymnastics Saskatchewan are eligible to take part in Gymnastics Saskatchewan programs and competitions in and/or out of province.

## 1.0 SASKATCHEWAN INTER-CLUB PROGRAM

Gymnastics Saskatchewan offers programs for women's gymnastics in recreational, inter-club and competitive categories. The following policies have been developed and will apply to all women's inter-club and competitive programs in Saskatchewan.

*Please see the flow chart in the appendix at the end of the document*

### 1.1 Saskatchewan Inter-Club Program

#### Developmental Program Compulsory Exercises

Gymnastics Canada has adopted the Developmental Program Compulsory Exercises (formally known as the JO Program), now referred to as the Canadian Provincial Program (CPP) to provide direction and foster competition for different age groups of girls and young women of various levels of ability and commitment. Gymnastics Saskatchewan uses this tool as a guide to provide programming for female gymnasts in Saskatchewan.

#### Xcel Program

XCEL is an alternative competitive program offering individual flexibility to coaches and gymnasts. The goal of XCEL is to provide gymnasts of varying abilities and commitment levels the opportunity for a rewarding competitive gymnastics experience.

Gym Sask will continue to use the modified Inter-Club program for the 2023-2024 season. This program will be called **the Saskatchewan Inter-Club Program** and will use a combination of the USAG Development Program Compulsory Exercises (formally known as the JO Program) and Xcel levels. The following levels will be included in the Saskatchewan Inter-Club Program: Developmental Levels 1-4 (formally known as JO 1-4) and Xcel Bronze and Silver. In Saskatchewan these levels will be called "Inter-Club Level 1, Inter-Club Level 2, Inter-Club Xcel Bronze, etc. We will follow the USAG Developmental Program Compulsory rules but use a different name. Gym Sask has adjusted the minimum age for athletes to enter these Inter-Club levels, for the 2023-2024 season athletes must be born in 2017 and older, there is no age maximum on Inter-Club levels although this program is designed for developmental and younger athletes.

Athletes in the Saskatchewan Inter-Club program will be able to attend in province invitationals only. **Exception for Xcel Bronze and Silver athletes born 2015 & older in the Inter-Club Xcel program can attend out of province invitationals with an approved sanction.** Athletes in Inter-Club Level 1-4 & Xcel Bronze and Silver athletes born in 2017 & 2016 will NOT be ranked against each other, will NOT have scores flashed and will be given ribbons based on a range of scores. They will be called up in a random order during the awards ceremony.

Athletes born in 2015 and older in the Inter-Club Xcel Bronze and Inter-Club Xcel Silver will be able to be ranked against each other, will have scores flashed, and will be eligible to receive medals as per the Xcel code of points. Athletes in the Saskatchewan Inter-Club Program will not be eligible to attend provincials.

Clubs who wish to only participate in the Saskatchewan Inter-Club Program must be registered with an Inter-Club Membership in Amilia.

Inter-Club Level 1-4: The introductory levels focus on basic skills and excellent execution through short compulsory exercises.

Inter-Club Xcel Bronze & Silver: The introductory XCEL levels focus on basic skills and excellent execution through short optional exercises.

## **CANADIAN ASPIRE STREAM**

### **GEMS (GymCan's Educational Model)**

The GEMS Program is the first step under the Canadian Aspire Stream, it is geared for athletes aged 8 and 9 years old. This program is focused on coach education through athlete identification. It is NOT a competitive stream program amongst itself. Gymnasts selected for the GEM's Team will participate in CCP using Levels 3-5 and 7. The GEMs program will not be used this year in Canada.

## **GYM CAN YOUTH PROGRAM**

The Youth program is the second step of the Canadian Aspire/HP Stream. It is geared for athletes aged 10 and 11 years old. This program has been rebranded from the Aspire program. This program is not limited by numbers, however invitations to camps will be limited. This is an entry level into the High-Performance Competitive program. For the 2023-2024 season it will be scored using the CCP rules. In future years, the program will use the FIG Code of Points to be evaluated. Routines/sequences will be provided to coaches with a direction and foundation for future quality skill development. Competition format/evaluation will be based on 50% execution and 50% difficulty. More information on this program can be found [HERE](#). (will link to document when finished from Gym Can).

## **HIGH PERFORMANCE**

High Performance gymnasts compete national and international rules, based on the FIG Code of Points. Provincial, inter-provincial, and national competitions are provided in three age groups for high performance. Detailed program information is available from Gymnastics Canada.

## 2.2 Sask First Training and Competition Program

Competitive WAG gymnasts are eligible to be selected to this program. It is designed to enhance training and competition opportunities for current national and high performance gymnasts and for those with high performance potential. Following an annual selection camp, gymnasts and their personal coaches will be eligible for certain training and competition opportunities based on the gymnast's age, development plans and funding available. Gym Sask's Women's High Performance (HP) Coach in consultation with the Women's Technical Director leads this program. Gymnasts are selected based on criteria developed by the HP Coach in consultation with the Women's Technical Director.

#### ALL AROUND

Gold	Silver	Bronze
36.000 or higher	33.200-35.999	33.199 or lower

All Around medals are awarded to each participant (Gold, Silver and Bronze) based on their personal score.

Clubs may distribute their own medals or can purchase medals from Gym Sask through e-mail or over the phone.

Clubs can also purchase participation ribbons (red, blue and white). Ribbons for each event are distributed according to the following scores:

#### VAULT, BARS, BEAM & FLOOR

Red (1 <sup>st</sup> )	Blue (2 <sup>nd</sup> )	White (3 <sup>rd</sup> )
9.000 or higher	8.300-8.999	8.299 or below

Tabulators at each event will have an envelope with a certificate for each athlete in the rotation. When the athlete's score is done being calculated the tabulator will place a ribbon in the envelope with the athletes certificate based on the range of scores above. The athlete's envelope will travel from event to event with rotation so when the competition is done the ribbons are already sorted and just need to be attached to athlete's certificate. The ribbons should be labeled with a sticker on the back (Vault, Bars, Beam or Floor) so the athlete knows which event they received each ribbon from. A participant certificate template is provided at the end of this document.

The order that athletes are called up to receive their all-around awards should be mixed up so less emphasis is placed on ranking. No podium should be used when presenting athletes with all around medals. The announcer should announce the age group and then call up the athletes by club and in random order and have the athletes stand side by side. Envelopes with certificates and ribbons attached should be given to coaches to distribute to their athletes before they leave the building.

For 2015 & older Inter-Club Xcel Bronze & Silver athletes awards will be given out as usual. Athletes will be ranked against each other and will be given medals and ribbons based on their placing for events and all around.

#### TRIAL EVENT FORMAT & SELECTION NOTES:

- All gymnasts must pay the required trial fee to Gymnastics Saskatchewan.
- Each gymnast's All Around score will be counted to be ranked/selected. Ties will be broken by the higher DV receiving a higher ranking. If both gymnasts have the same DV the tie will be broken by event ranking points (1<sup>st</sup> = 6 points, 2<sup>nd</sup> = 5 points, etc...)
- The WTC may move gymnasts into different categories to make full/stronger teams
- If a team is filled in an age group and there are additional younger gymnasts who have outscored the gymnasts in older age categories, those gymnasts with higher scores shall be ranked ahead and will qualify for a place on the team ahead of/or instead of gymnasts in older age groups who may have qualified
- HP gymnasts are already on Sask First, so no minimum score or total DV is required.

#### 8.1.4 Selection Petitions

- Petitions for gymnasts must be submitted by the gymnast's coach, in writing to the WTC, prior to the qualifying competition, stating the reason for the petition, an explanation, justification and a doctor's certificate (if applicable). The doctor's certificate should include prognosis/diagnosis and estimated time for recovery.
- Petitions will only be accepted AFTER the qualifying competition IF:
  - The gymnast is injured during the qualifying competition
- Any selection petitions received after the qualification competition will not be accepted. If a gymnast is petitioned for reasons other than injury or medical, the rules as follows also apply:
  - Petitioned gymnasts are ranked by the WTC according to previous results, routine content, quality of execution, and potential to medal at the competition. Petitioned gymnasts are not automatically ranked below gymnasts who participated in the designated trials.
  - If a gymnast is injured during or after the final trials meet and named to the team, verification of full routines with full content and no spotting shall be required at a verification no less than 1 week prior to departure.

- Selection appeals will only be accepted on the basis that the selection process was not applied correctly.
- For Canadians selection: if a gymnast is injured for both trials, the gymnast's coach may petition to the WTC to use results from the past 12 months from a GYM CAN sanctioned national level competition (with the same regulations as Canadians). Competition results will be selected by Gymnastics Saskatchewan.
- For Westerns selection: if a gymnast is injured/absent for trials, the gymnast's coach may petition to the WTC to use results from the past 12 months from competitions with the same regulations as Westerns. Competition results will be selected by Gymnastics Saskatchewan.
- Gymnasts injured during the trials may petition but must use the average score and performance indicators of the two-day trial(s) she actually participated in as the qualifying score. If they do not complete one full day of trials, their petition must be based on results from the past 12 months. (If day 1 was completed use the day 1 scores)
- Decisions on granting petitions will be made in the best interest of the gymnast concerned, taking into consideration the needs and performance of the provincial team as a whole and the regulations in place.

#### **8.1.5 Considerations for Selection to Provincial Teams: NCAA and Out-of-Province University Gymnasts**

A Saskatchewan gymnast who has represented the province at a previous Canadian Championships and is a product of the Saskatchewan sports system may apply to the WTC for an alternate process to qualify for Team Saskatchewan. This gymnast must be currently training and competing in the NCAA gymnastics program in the United States or attending a university in Canada in another province AND she must be registered with Gym Sask as a National Stream athlete.

The following process will apply:

- The gymnast will apply in writing no later than February 1<sup>st</sup> to the WTC for consideration to be selected. The gymnast is to provide a list of competitions (and dates) she will be participating in.
- The gymnast must then provide quality video footage of 2 competitions as approved by the WTC, to be evaluated by the same panel of judges at the Sask Trials and submitted no later than 2 days prior to the trials that are held in Sask.
- In the event that the gymnast does not compete All Around at the two selected competitions, she must provide written results of her competition results from March to May to be reviewed by the WTC. OR VIDEO in a simulated competition with competition equipment. The WTC will decide on which two competitions will be used for the athletes.
- The same judging panel as the Sask Trials will view the videotape at national trials and judge the routines based on Level 10 Canadian Championships rules.
- The average All Around score of the two competitions on videotape will be the gymnast's score for trials.
- Minimum DVs and all-around score apply.
- The gymnast will be ranked using the average of the two All Around scores of the competitions on videotape.

- Gymnasts who have not met all minimum scores are not automatically selected, but may be petitioned.
- Gymnasts who are selected are part of Team Sask and funded/serviced accordingly.
- There must be open spaces on the team, which cannot be filled by Provincial athletes, in order for NCAA or out of province athletes to fill the spots.

#### 8.1.6 Considerations for Non-Resident Athletes

Non-resident gymnasts who are not a product of the Saskatchewan sports system may apply for membership and may trial for Team Saskatchewan events.

The following selection rules apply to these athletes:

- No Gymnastics Saskatchewan funding will be available to these athletes.
- These athletes may not take the place of Saskatchewan resident athletes who qualify for Team Saskatchewan in any category.
- Duplicate awards will be presented at any Saskatchewan competition they may attend.
- These athletes' rankings do not count towards Team Coach selection.

#### 8.2 Team Coaches

All coaches named to a Provincial Team must have the required certification:

Western Championships: Competition 2 Certified or Level 3 Certified

Canadian Championships: Competition 3 Certified or Level 3 Certified

Canada Games: Competition 3 Certified or Level 3

Other: As designated by the WTC or Gymnastics Saskatchewan/Canada

All coaches named to a Provincial Team must be members in good standing of Gymnastics Saskatchewan, endorsed by the WTC and confirmed by Gymnastics Saskatchewan's Technical Director.

All coaches named to a Provincial Team must provide a current police record check & vulnerable sector check to Gym Sask as per the current screening policies.

#### TEAM Coach Selection Process

- One (1) coach will be selected for teams of four (4) or less.
- Two (2) coaches will be selected for teams of five (5) or more.
- Selected coaches will be placed on the Team Coach roster – final coaching assignments are the responsibility of the WAG Head of Delegation.
- All HP Novice, Junior and Senior athletes will be allotted one (1) personal coach for each athlete attending Canadian Championships.

- Points allotted to clubs will correspond to the number of athletes that make up the official Saskatchewan Team and will not include alternates.

Examples:

<b>Team Size 7</b>	<b>Team Size 5</b>	<b>Team Size 4</b>
1st place = 7 pts	1st place = 5 pts	1st place = 4 pts
2nd place = 6 pts	2nd place = 4 pts	2nd place = 3 pts
3rd place = 5 pts	3rd place = 3 pts	3rd place = 2 pts
4th place = 4 pt	4th place = 2 pts	4th place = 1 pts
5th place = 3 pt	5th place = 1 pts	
6th place = 2 pts		
7th place = 1pt		

The club/coach with the most points will qualify to select the team coach.

If a gymnast withdraws from a provincial team due to an injury or unforeseen circumstances before the competition and a replacement is named from another club which then affects coach points and coach selection, the WTC will deal with each scenario on an individual basis.

### **Team Coach Tie-Breaking Procedure**

The club/coach with the most athletes on the team in question will qualify to select the team coach.

In the event of a tie for points and athlete numbers, the club/coach with the athlete who received the highest all-around score will qualify to select the team coach.

Officially a Team Coach is not named, until ratified by the Women's Technical Director in consultation with the CEO.

All coaches are responsible for specific teams for the duration of the event, on and off the floor

In the case of a partial team, coaching duties may be shared.

Gymnastics Saskatchewan may assist in accrediting additional coaches to the floor. All such requests must come to the WTC and are subject to approval by the Technical Director. All coaches accredited to the floor, funded by Gymnastics Saskatchewan shall be considered Team Coaches, part of the team delegation and they shall assume duties and responsibilities as requested by the Chef or WAG Head of Delegation for the team operations.

The number of coaches funded to each event/competition shall be determined prior to the event/competition by the CEO in consultation with the Operations Manager & Technical Director based on annual budget allocations, program, gymnast and coaching requirements. Gymnastics Saskatchewan will provide funding to coaches based on

the following formula for Western Canadian Championships and Canadian Championships. All funding amounts under 30% will revert to 0% and their portion spent on the remainder of the clubs/coaches qualifying for funding.

For more regulations related to Provincial Team Coach Selection, please refer to the Gymnastics Saskatchewan Operational Policies and Procedures Manual & Coach Funding Document.

### **8.3 Team Managers**

Team managers will be selected by Gymnastics Saskatchewan's CEO or designate for the following competitions:

- Western & Canadian Championships
- Games programs/competitions
- Sask First Competitions

Priority will be given to responsible adults who can provide proper supervision and support to gymnasts, coaches and officials. A team manager's first responsibility is to supervise and support gymnasts and team members, not to act as a coach on the floor

All Team managers must provide a current police Record Check as per Gym Sask Screening Policies.

For more regulations related to Provincial Team Manager Selection and duties, please refer to the Gymnastics Saskatchewan Operational Policies and Procedures Manual.

If circumstances dictate (for safety reasons only) and the groups are altered to allow for any of the above situations then please refer to UB below for warm up specifications.  Note. For Canadian Championships & Elite Canada coaches must indicate if their gymnasts do not use grips on the application form. The use of grips is strongly recommended for HP athletes.

## Vault:

When athletes are using different heights within one competition group, coaches should agree on the most efficient way to warm-up/compete. Athletes may compete in the predetermined order, or re-order based on equipment settings.

**Timing of Warm-up:** the Chief Judge/D1 judge will inform you how many minutes the group has. Begin timing when the first athlete runs toward the vault. Be prepared to answer the question, “how much time is remaining?”

Ring the bell loudly when warm-up is complete.

## Balance Beam

**Timing of Warm-up:** each gymnast has her individual warm-up time according to the chart below. Ring the bell loudly when warm-up is complete.

**Timing of Routine:** Routine time begins when the gymnast's feet leave the mat and ends when the gymnast's feet return to the mat. Ring the warning bell 10 seconds before the maximum routine time allowed (refer to chart below). Ring the bell twice at the maximum routine time. Inform the Chief/D1 judge if the routine time exceeds the maximum time allowed. Fall time is NOT included in the routine time. When the gymnast falls the routine time is paused and does not resume until the gymnast makes the movement to continue her routine.

### Timing of Falls:

**InterClub 1-4, CCP 3-10, Xcel & Youth:** The gymnast has 45 seconds to remount the Balance Beam. Begin fall timing when the gymnast lands on the mat. The fall time ends when the gymnast's feet leave the mat to remount the Balance Beam. During the fall time, the Fall Timer gives notification: 25 seconds pass, announce "*20 seconds remain*", 35 seconds pass, announce "*10 seconds remain*", and count down out loud until 1, after 45 seconds pass, announce "*TIME*".

Routine is terminated if the fall time exceeds 45 seconds.

**HP:** The gymnast has 10 seconds to remount the Balance Beam without penalty, and 60 seconds to remount the Balance Beam before her routine is terminated. Begin fall timing when the gymnast is on her FEET after a fall. The fall time ends when the gymnast's feet leave the mat to remount the Balance Beam. During the fall time, the Fall Timer gives notification: count down from 10 to one, and when 10 seconds have elapsed announce "*TIME*". Continue timing, as the gymnast is still allowed to remount the Balance Beam (with a penalty) until 60 seconds have elapsed. Routine is terminated if the fall time exceeds 60 seconds.
