

# Make Ethical Decisions (MED)

## Online Evaluation

Upon completing your Gymnastics Foundations Theory course, you now have the knowledge and information that is required to take the Making Ethical Decisions online evaluation as a required part of your coach training.

To login you need to go to <https://thelocker.coach.ca>

On the left hand side of the page you will need to login with your NCCP# or email address and password. If you do not know your NCCP# or password, click on 'Lookup my NCCP#' or 'Forgot password' to have them send it to your email address.

Once you are logged in, click on the 'eLearning' tab. Then select "Make Ethical Decisions Online Evaluation."

Select the stage of athletes from the right that you work with most often, click 'Begin' and complete the evaluation.

There are two parts to the exam: Scenario One and Scenario Two  
It will take between 30 and 40 minutes to complete the evaluation. If you exit part way through the exam your answers will be saved and you can return to where you left off the next time you login.

A passing grade is 75%. Since you took the MED Training within the Gymnastics Foundations Theory course you will have unlimited attempts to pass the evaluation.

Once you have successfully completed the evaluation, your NCCP Transcript in The Locker will be updated automatically.

If you are challenging the MED evaluation (without taking the MED Training included in the Gymnastics Foundations Theory course) you will be required to pay \$85 and you will have two attempts to receive a passing grade of 75%. If you have not passed after two attempts you will be required to take the MED Training.
